HSB BI&I is a member of the Hartford Steam Boiler Group and part of the global Munich Re Group of Companies.

- We have over 140 years of experience and through our modern systems and practices remain unsurpassed in meeting our customers' needs.
- You can become an expert in your field while enjoying a healthy work/life balance and a collaborative, friendly atmosphere in our offices.
- We offer a comprehensive benefits program to our employees.

We invite you to learn more about us at our website: <http://www.biico.com/>

Key Responsibilities:

The Area Manager initiates, drives and participates in project related work activities aimed at improving Inspection Department effectiveness.

In addition, the Area Manager is responsible for leading a team of 6 to 10 technically qualified in-the-field Inspectors from our national force who provide on-site loss prevention, risk evaluation and claims assessment services and participates in cross-functional team activities in coordination with participants from Underwriting, Claims, Engineering, and Marketing areas within the company.

This position reports to the company's Inspection Manager and is located in our Head Office in downtown Toronto. Training of both a technical and supervisory nature may be provided for this position depending on the requirements for the selected incumbent.

Qualifications:

- Engineering Degree with ability to obtain P. Eng
- Minimum 3 to 5 years of field experience in industries such as manufacturing, power generation, mining, petroleum and/or pulp & paper
- Working knowledge of boilers and pressure vessels
- National Board In-Service Commission is required (or ability to obtain; training will be provided if necessary)
- Proven consistent achievement of expected results and the ability to get things done on time
- Solid computer skills
- Well organized, energetic, innovative and confident with a demonstrated ability to earn the respect of technically qualified peers and subordinates, previous experience leading direct reports preferred

We are committed to sustaining our Employment Equity Program to ensure that members of all groups enjoy equal access to jobs and are able to participate and contribute to their fullest potential.

If you are interested in applying for this position, please quote Job Reference AM0214-BW and send a covering letter along with a resume to: hr@biico.com.

We thank all candidates for their interest; however only those selected for interview will be contacted.
