Hans A. Schols, President and Chief Executive Officer and the Board of Directors of The Boiler Inspection and Insurance Company of Canada (BI&I) are pleased to announce the following executive appointments.

John R. Mulvihill is appointed Chief Operating Officer and Senior Vice President. Mr. Mulvihill joined BI&I in 1990. He has held various managerial and executive roles, most recently serving as Vice President and Corporate Secretary. Mr. Mulvihill has an MBA and a BAsC from the University of Toronto. He is a Professional Engineer, a Chartered Insurance Professional and a recent graduate of the Institute of Corporate Directors - Director Education Program.

Gary Young is appointed Senior Vice President, Field Operations. Mr. Young joined BI&I in 1971. He has held increasingly senior roles in marketing and executive management. He most recently served as Vice President of Field Operations, Client Companies and Human Resources. Mr. Young holds a certificate in business management from McMaster University and was formerly a licensed insurance broker in Ontario.

Dave Picot is appointed Vice President and Corporate Secretary. Mr. Picot rejoined BI&I in 1997 and was appointed Assistant Vice President of Underwriting in 2004 and

Assistant Vice President Claims, Inspection and Engineering in 2006. Mr. Picot holds a BA from the University of Western Ontario and is a Fellow Chartered Insurance Professional.

Jacques Trudel is appointed Assistant Vice President. Mr. Trudel is based in Montreal and oversees BI&I's business in Quebec and Atlantic Canada. He joined BI&I in 1967 and became a Director in 1988.

Jean Dubois is appointed Assistant Vice President. Mr. Dubois joined BI&I in 1987 and most recently served as Toronto Branch Manager. Mr. Dubois holds a BBA from Laval University, an MBA from the Université du Québec à Montreal, is a CRM and a Fellow Chartered Insurance Professional.

Don Cox is appointed Assistant Vice President. Mr. Cox joined BI&I in 1989. He has served as Hamilton Branch Manager and was appointed Director in 2004. Mr. Cox holds a BA from Laurentian University and a CRM designation.

Brian Storey is appointed Assistant Vice President. Mr. Storey joined BI&I in 2001 and recently served as Director of Special Risks. Mr. Storey holds a BA in Economics from the Victoria University of Manchester and is a Chartered Insurance Professional.

BI&I is Canada's leading equipment breakdown insurer. BI&I helps industrial and commercial clients reduce risk through a unique combination of specialty insurance, engineering-based risk management and loss control services. BI&I also provides specialty property, construction and inland marine insurance.
